**MEET KEVIN KILMURRAY
VETERANS CHURCH HOST
AND
RADIO FREE AMERICA PRODUCER**

THIS MONTH we shine the light on Pastor Kevin Kilmurray. Pastor Kilmurray and his wife, Pastor Donna Kilmurray, are currently in charge of Acts Media Group's Veterans Church. In addition, Pastor Kevin is in charge of Radio Free America, the Internet radio station of Acts Media Group..

Pastor Kevin was born and raised in New York state and was raised in a Catholic tradition. In his words, he left the Catholic Church as soon as he was old enough that his father did not skin him alive. In 1999 Kevin said he was out delivering pizzas and the Holy Spirit told him he needed to go to church. It happened on a few occasions and he dismissed it for the most part; however, he had started talking with a lady about the church she attended and one day decided to see what it was all about. Kevin never felt more welcomed than at that church, but he was still hit and miss on his church attendance while the Holy Spirit was working on him. Kevin felt that he needed to clean himself up before committing his life to the Lord, but finally realized that committing to Christ was a come-as-you-are party and the Lord does the cleaning.

Pastor Kevin has three children - two boys and one girl - from his prior marriage. He since, of course, remarried Donna Kilmurray in 2016. They currently reside in Ada, Oklahoma, with their five dogs - three Jack Russell terriers that Donna has owned for 15+ years, a Great Pyrenees, and a Chi-weenie that weighs in at a whopping 6 pounds.

Pastor Donna Kilmurray is a registered nurse by day. Her true calling though is her talent as a vocalist and song writer. She is currently nominated for Female Vocalist of the Year and Gold Cross Female Artist of the Year by the International Country Gospel Music Association. Pastors Kevin and Donna do quite a bit of traveling as a result of Donna's music endeavors and Pastor Kevin says he is the driver. I'm sure he does quite a bit more to assist Donna in attaining her dreams. She accepted Christ one spring day in 1997 and since that time has felt the calling, the passion and the desire to share Christ with everyone she meets in hopes that they will see Jesus in her through her words, songs, actions and testimony.

Pastor Kevin is an Army veteran having served from 1982 to 1985. While in the Army, Kevin became a Correctional Specialist and worked at the military max penitentiary at Leavenworth, Kansas. After the service he was a correctional specialist for the Kansas State Prison System. He found out very quickly the difference between serving at a military prison and a state prison. Military prisoners still have at least a modicum of their

military training at least and are much easier to deal with. Kevin has also worked as a police officer, a police dispatcher, and has operated a couple of radio stations other than Radio Free America for Acts Ministry.

Pastor Kilmurray was first acquainted with the current president of Acts Ministry, James Wining, meeting him about 13 years ago when Bishop Wining approached Kevin about starting a radio station for the church he was pastoring. He became an actual part of Acts Ministry and Acts Media Group approximately 10 years ago. Radio Free America is the internet radio station for Acts Media Group and broadcasts through Greece to avoid unnecessary censorship issues.

Kevin and his wife, Donna, are the hosts of the Veterans Church for Acts Media Group. The title is somewhat of a misnomer, according to Kevin, since they do not do a lot of actual preaching on the show these days, but have focused more on veterans issues and programs available for our veterans that may need assistance in some respect. You'll still be abundantly blessed on those days they preach, but you will definitely learn what is out there to assist our veterans on the other broadcasts as well. In association with the Veterans Church, Kevin and a couple of other individuals associated with Acts Ministry have established a Veterans Help Line that veterans and their families can call for prayer, simply to talk, or guidance. The hope and prayer is to introduce veterans and their families to the love of Christ through their efforts. Through the Veterans Help Line, Kevin and others want to answer veterans questions, help them find the help available to them in the community, and assist them in working through any issues they may have, and helping them to understand where their true saving grace comes from. That number is **580-344-3309**.

Kevin is currently taking college courses to expand his knowledge and understanding of Scripture to assist him in his walk as a pastor and introducing others to Christ. Two years ago at our Annual ActsFest, Kevin knew in his heart that he needed to step up to restart our Veterans Church following the death of Pastor Bruce Pearson, one of Acts Ministry's heroes, after his death.

On a closing note, Pastor Kevin also wanted to inform people about Acts Ministry and Acts Media Groups need for donations and sponsors. Radio Free America is offering a radio special where if someone wishes to sponsor any of our shows on Acts Media Group, or even one of the national shows aired on Radio Free America, that \$100 will sponsor a show for one month. Simply go to actsmediagroup.com and press the donate button. You will be taken to a donation form on PayPal where you can identify what show you wish to sponsor and receive free advertisements on Radio Free America, mentions on whatever show you choose to sponsor, and a listing on our website, actsmediagroup.com.

The Re-Birthing of America

The vision of Acts Ministry, "Unity, In Christ, Through The Holy Spirit," almost seems to not fit in our 21st century America. America is suffering from voting their wallet when electing governments. Also, America is suffering from Biblical misinformation about values and ethics from Christian messages irrelevant, disjointed and divisive. Therefore, what should BELIEVERS be doing now?

First, focus on Believers and empower them with knowledge. This is an accelerated time of edification. Create places to "Gather," do not worry about the absence of a pastor, focus your discussions about America with "The Bible," your source of wisdom and guidance and "The US Constitution, including the Bill of Rights, as your worldly tool. Do not neglect friends, family and business associates, their particular "Flavor," of Christianity may be redirected to the job at hand.

Second, know the enemies of Christianity. These will be individuals or businesses that knowingly violate The Bible, its teachings, and more specifically "The Ten Commandments," "The Two Commandments of Jesus Christ," and "The Gospels." Furthermore, they will endeavor to use political/economic tools to thwart your Constitutional Rights such as freedom of speech and religion. Again, use the US Constitution and its Bill of Rights as your tool of promulgation.

Third, reach out to churches that are responsive to the Vision of Acts Ministry. Ask them to remove their "Independent Designation" or "Denomination" or any other "Specific Religious Designation," and instead post "House of God." These churches will be used by all Christian Believers in fellowship for worship study and performing acts of community kindness and help. This is the connection step in reaching out to all Believers of "God the Father, God the Son and God the Holy Spirit."

ActsFest July 20-23, 2023

Fourth, establish spiritual and physical security. Be prepared for evil against this Christian movement just like our Christian forefathers suffered during The Revolutionary War. Utilize your constitutional rights including these rights enumerated in the amendments to the Constitution “the right to bear arms,” “freedom of assembly,” “freedom of the press,” and “Freedom of religion.” Seek as before soldiers of our Christian cause to secure physically our places of safety for worship, education and the helping of communities with kindness and sustenance. These places of “Gatherings, are to be guided by ministers who agree with the prayer of Jesus in John 17 and are thoroughly inculcated in the vision of “Unity, in Christ, Through the Holy Spirit.”

Fifth, and lastly, assemble in “Unity.” Unity, not leadership, is the “Crucifixion of Christ.” Through it we may perfect his sacrifice and invite the “Return of Christ.” Otherwise it is self evident that secularism, non-Christian beliefs, Globalism, Socialism, Communism, Capitalism and Christian Division will weaken us and the enemies of God will pour down upon us as Evil is “uber alles.” It is in your hands to give, participate, support and protect Believers in this “New and Last Battle for Jesus Christ!!!”

As the Re-Birthed Christians prepare for “The Return of Jesus Christ” there are four steps of preparedness that include, first, awareness of media bias; second, the power of economic actions; and third, the disassociation with churches and ministries that do not seek “Unity.” Finally, by utilizing the first three steps, the fourth step, use your power to vote “Christian Only,” is the empowerment of the first three steps. You need to be vigilant in listening, association, and spending your money.

First, Awareness is crucial to Christian preparedness. Media sources that do not report extensively on The Durham Report should be avoided. Media sources which do not report on such major developments as “The Border Issue,” crime in major cities, sex education indoctrination, womb life, military preparedness and constitutional rights should be removed from your phones, televisions, computers and automobile devices. “Garbage in is Garbage out. Focus on the truth and the real developments in making your economic and political actions.

Second, Power of Economic decisions is a major tool of change. This is exemplified by Target, a longstanding opponent to Christian holidays, Christian values, and anything of Christian persuasion including music is slowly going down the “tube.” Don’t give a dollar to any business, church, non-profit, ministry or cause which does not hold Jesus Christ first and honor his last prayer of “Unity,” John 17.

Third, Unity of Christians, Christian Ministries and Christian Churches into “One Body of Christ,” will be serving and abiding with our Lord “In Unity, in Christ, Through the Holy Spirit.” Doors of Christian Churches and building will be opened to all Christians regardless of doctrine, affiliation or denomination. All such places will be referred to as “God’s Houses.” Those Churches, Christians and Ministries that refuse unity by their actions allow the furtherance of evil, blasphemy of the Word of God and the rejection of Jesus’ return. These “God Houses,” will offer physical and spiritual help to all that Believe.

Fourth and lastly, America votes to protect its dollars and Christians “in Unity,” “need to follow through with their buying and voting based on their belief in Jesus Christ. Therefore, Christians, in Unity need to vote their Christian beliefs and values. Issues such as “Critical Race Theory,” transgender lifestyle, homosexuality, and lenient violent crime solutions would be crushed now and in the future. This is a societal cleansing just as was started by John Brown against slavery we must be cleansing of evil perpetrated by persons, organizations, political parties and groups promoting evil social life chooses juxtaposed to The Bible.

Unity, in Christ, through the Holy Spirit
