side salad/cake/coffee, tea or water/

-**"Closing of Live Auction"**

1:00 PM-Board Meeting

Over the nearly thirty-three years of Acts Ministry's vision an annual celebration gathering has occurred called **ActsFest**. During the history of these fellowship gatherings of supporters, ministers and ministries we have enjoyed spiritual gifts, physical gifts and intellectual gifts from its body of Christians. There were also messages and teachings crucial to the movement and vision of Acts Ministry which is: "In Unity, in Christ, through The Holy Spirit."

The pinnacle of all these messages, gifts and fellowship was a banquet with awards recognizing special individual achievements for Acts Ministry's vision and supporting missions of "Doing the Right Thing wherever Needed." This year's awards will focus on the importance due to time and circumstances of "Getting the Word Out," to as many people as possible.

Eight years ago Acts Ministry realized two very important circumstances. First, the huge vision of "In Unity, In Christ, through The Holy Spirit," while having a small populace and limited resources. Furthermore, the movement needed large means to reach thousands if not millions of people lost in their Christian Faith or never mindful of a Christian Faith. Second, Acts Ministry needed to form Acts Media Group with its units AMG Broadcasting, Radio Free America and **The Real News-Review**. This set us apart from the typical struggles of building churches, denomination structures and doctrines for instruction.

Our simple goal is utilizing media hard, soft or a combination to daily reach thousands if not millions of people before it is too late. This **ActsFest** we will focus on just "Seven Words." These words are: Gratitude, Repentance, Confession, Forgiveness, Prayer, Praise and Faith. Putting these words together, applying their meanings and sharing them together through love.

In Christ,

Dr. James R. Wining, Bishop/President
